In tender years the path
Seemed longer than it ever really was
How could I know
I realised as time went by I had to try
The world outside was mine
You let me go

So I left and tried to find my way to paradise
The winding road that led me there was life

I'm on my own again
Left all alone where I belong
I'm on my own again
Left all alone

Now I've seen it all
I wouldn't change a day
When curtains fall
I'd do my show

So at last I know
I've found my one true paradise
The winding road that led me there was life

I'm on my own again
Left all alone where I belong
I'm on my own again
I'm on my own
On my own

On my own
On my own, on my own
again
