SUNDOWN

by: Hale

slow down
how the hours and days go by
stay close
let me take you away
waisted smiles
sun's lost but can be found

what can i do
what can i say
but freeze the hands off

time raises
by in a blink of an eye
how i wish
i can make you slow down
time raises
by in a blink of an eye
and feel what i feel deep down

chill down
let the moment show us the way

so close
it's better each day
the glow of your smile
so bright and then so cool

that's what i'll do
that's all i'll say
i'll freeze the hands off

time raises
by in a blink of an eye
how i wish
i can make you slow down
time raises
by in a blink of an eye
and feel what i feel deep down

that's what i feel (3x)...
