I stare â€¦  
at the girl in the mirror  
t-shirt â€¦  
torn up jeans, no beauty queen.

But the way that you see me  
You get underneath me  
and all my defenses just fall away â€¦ fall away â€¦  
(chorus)  
I am beautiful with you  
even in the darkest part of me  
I am beautiful with you  
Make it feel the way its supposed to be  
You're here with me  
You show me this and Iâ€™ll believe  
I am beautiful with you â€¦.

I stand â€¦  
naked before you now  
no walls â€¦  
to hide behind, so here am I.  
See all of my scars  
Still here you are  
I bare my soul and I am not afraid â€¦ not afraid.

(chorus)  
I am beautiful with you  
even in the darkest part of me  
I am beautiful with you  
Make it feel the way its supposed to be  
You're here with me  
You show me this and Iâ€™ll believe  
I am beautiful with you â€¦.

(bridge)  
Iâ€™ve been the strong one  
for so long but  
I was wrongâ€¦  
Doesn't make me weak if youâ€™re needing someone  
Iâ€™m not holding back, yeah, I know what I want

I am beautiful with you â€¦. I am beautiful with you â€¦.

You want me for myself  
You get me like no one else!

I am beautiful with you â€¦ (with you)

(chorus)

I am beautiful with you  
even in the darkest part of me  
I am beautiful with you  
Make it feel the way its supposed to be  
You're here with me  
You show me this and Iâ€™ll believe  
I am beautiful with you â€¦.
