I've seen the shadows of you were blocking my life,
Didn't know for two years that I was living your lie.
You covered all your tracks so perfectly clear,
Your family talked to me everything I wanted to hear.

Ohhh
Never thought I'd hear my self say

Gooo, get out of my life,
out of my bed, your wasting my time,
just gooo,
it's time for a show, we sung no more,
conversation over.

Go, get out, go, gouou
Get out, go, gouou

You had it all, had everything, and you threw it all
away.
I tried but couldnt get you higher than the cold gate.
I'm sick and tired of trying to save your life,
only you can, Never thought i'd hear my self say.

Gooo, get out of my life,
out of my bed, your wasting my time,
just gooo,
it's time for a show, we sung no more,
conversation over

Go, get out, go, gougou
Get out, go gouou

Out of my head, out of my life, wasting my time.
Out of my bed, get what I said, i'm,
Out of my head, out of my life, wasting my time,
Out of my head.

I tried to fix, you tried to help, you tried to understand.
sometimes you always end up right back here again.
im out of hope and im scared to death,
now the story ends.

Never thought i'd hear my self say

Gooo, get out of my life,
out of my bed, your wasting my time,
just gooo,
it's time for a show, we sung no more,
conversation over.

Conversation over,
Conversation over,

Go, get out, go, gouou
Get out, go, gouou
Get out, go, gouou
Get out, go, gouou.
