Head lights, red lights, got it in my sights  
Nothin'™ s in my way  
No sound, hush now, push the pedal down  
Got no time to waste  
It's a long way home  
You just crossed a borderline  
When I say, "Go!"  
You know you better hold on tight  
I don't know how to stop, I give it all I've got  
It's like my brakes are shot  
I gotta have too much, I don't know how to stop  
Gets crazy but so what  
You know it's what you want so give it up  
And don't be scared of  
How good it feels  
One speed, full speed  
That is all I need  
They can eat my dust  
Hell yeah, rock on  
Will you come along?  
Do I have your trust?  
It's a long way down  
If you're getting this high  
When I say, "Now!"  
You had better hold on tight  
Now!  
I don't know how to stop, I give it all I've got  
It's like my brakes are shot  
I gotta have too much, I don't know how to stop  
Gets crazy but so what  
You know it's what you want so give it up  
And don't be scared of  
How good it feels  
Tell me how good it feels  
You know you don't want me to (I don't know  
how to stop)  
And now that I'm here with you (I don't know  
how to stop)  
Here's what we're gonna do (I don't know  
how to stop)  
You know you don't want me to, yeah!  
(I don't know how to stop)

How good it feels, tell me how good it feels, donâ€™t  
be scared, scared, scared  
Scared of how good it feels  
I donâ€™t know how to stop, I give it all Iâ€™ve got  
Itâ€™s like my brakes are shot  
I gotta have too much, I donâ€™t know how to stop  
Gets crazy but so what  
You know itâ€™s what you want so give it up  
And donâ€™t be scared of  
How good it feels  
I donâ€™t know how to stop!  
How good it feels  
I donâ€™t know how to stop (x3)
