You don't know that I know
You watch me every night
And I just can't resist the urge
To stand here in the light
Your greedy eyes upon me
And then I come undone
And I could close the curtain
But this is too much fun

I get off on you
Getting off on me
Give you what you want
But nothing is for free
It's all give and take
The kinda life we make
When your line is crossed
I get off
I get off

So much left unspoken
Between the two of us
It's so much more exciting
To look when you can't touch
You can say I'm different
And maybe I'm a feak
But I know how to twist ya
To bring you to your knees

I get off on you
Getting off on me
Give you what you want
But nothing is for free
It's all give and take
The kinda life we make
When your line is crossed
I get off
I get off

But you don't know
What you can't see
Is what I do for you
I do for me

I get off on you
Getting off on me
Give you what you want

Yeah

I get off on you
Getting off on me
Give you what you want
But nothing is for free
It's all give and take
The kinda life we make
When your line is crossed
I get off
I get off

Yeah I get off!
