Oh-----I miss the misery

I've been a mess since you stayed
I've been a wreck since you changed
Don't let me get in your way
I miss the lies and the pain
The fights that keep us awake.
I'm telling you
I miss the bad things
the way you hate me
I miss the screaming the way that you blame me
I miss the phone calls when it's your fault
I miss the late nights, don't miss you at all
I like the kick in the face
And the things you do to me
I love the way that it hurts
I don't miss you I miss the misery.
I've tried but I just can't take it
I'd rather fight than just fake it
(I like it rough)
You know that I've had enough
I dare you to call my bluff
Can't take too much of a good thing.
I'm telling you
I miss the bad things
the way you hate me
I miss the screaming the way that you blame me
I miss the phone calls when it's your fault
I miss the late nights, don't miss you at all
I like the kick in the face
And the things you do to me
I love the way that it hurts
I don't miss you I miss the misery.
Just know that I'll make you hurt
miss the lies and the pain and what you did to me
When you tell me you'll make it worse
I'd rather fight at home at night than watch the TV
I hate that feeling inside
when you tell me how hard you'll try
When we're at our worst
I miss the misery
Miss the bad things

the way you hate me
I miss the screaming the way that you blame me
I miss the rough sex that leaves me a mess
I miss the feelings the pains in my chest
Miss the phone calls when it's your fault
I miss the late nights, don't miss you at all
I like the kick in the face
And the things you do to me
I love the way that it hurts
I don't miss you I miss the misery.
I don't miss you I miss the misery
Oh-----
I don't miss you I miss the misery.
