(chorus)

I'm in love with somebody
Found someone who completes me
I'm in love with somebody
Ooh yeeaahhh
And it's not you

Feed my finger what you're gonna do
See these lips they're all done talking to you
I don't mean to bruise your ego
But I've had you nailed down for so long
I don't see your name on my tattoo

Hope you understand
It's been a long time coming
It's for the best
No offense

(chorus)

I'm in love with somebody
Found someone who completes me
I'm in love with somebody
Ooh yeeaahhh
And it's not you

I know who you think you are
Sorry I've turned you on
but I'm kissing you off
Lines of whiskey and cigarettes
but not enough to make me forget

I've got someone who has raised the bar
I've heard it all before
Stop spinnin' your wheels
Show you the door
No hard feelings

(chorus)

I'm in love with somebody
Found someone who completes me
I'm in love with somebody
Ooh yeeaahhh

And it's not you

You've probably never been shot down before
(You've probably never been shot down before)
I'll try and make it easier

(chorus)

I'm in love with somebody
Found someone who completes me
I'm in love with somebody
Ooh yeeaahhh
And it's not you

It's not you
It's not you, yeah
