I feel you, washing over me  
I touch you, like broken glass under my feet  
Carefully, taking hold of my heart  
Slowly, tearing it apart...tearing it apart

WITH THESE TEARS I CRY  
LORD KNOWS I TRIED  
NOW HOW CAN I LET GO  
WHEN YOU DWELL IN THE SHADOWS OF MY HEART

Maybe you can't remember, something you'd never  
forget  
Something you needed to know, is something I'll  
always  
regret  
Now I stand here broken, the love I wanted you never  
held to  
No no.. you brought me down to my knees  
And I went through hell for you...through hell for you

WITH THESE TEARS I CRY  
LORD KNOWS I TRIED  
NOW HOW CAN I LET GO  
WHEN YOU DWELL IN THE SHADOWS OF MY HEART..NO  
NO NO..

Dwell in the shadows of my heart, slowly tearing me  
apart  
[repeat]

[REPEAT CHORUS]

Now how can I let go..when you dwell in the shadows of  
my heart
