Words That Come From A Soul So Hurt
Written So Slowly On Pages Burnt
I'll Stare Intense
Till These Words Make Sense
Letters Derived From Three
Frozen There For Me To See
Curse Or Cure?
I Couldnt Be Sure
And In This Snow Buried Deep
Found An Angel Fast Asleep
But Dare Not A Demon Like Me
Touch Perfection And Make It Weep
Blood On White, Contaminating
Light From These Stars Illuminating
Silence, The Dark Void
My Eyes I Cant Avoid
And If My Eyes See Fake
Then My Life, I give For You To Take
I Will Not Suck The Life Out Of You
And Leave Your Lips A Pale Shade Of Blue
So Touch Me, And Steal My Gaze
And Bring Forth Loneliness From A Graze
But As You Walk Away In Grace
I See You Have My Heart Encased
Im Yours...
