"Only You"

It's you,
Only you can be,
Everything to me,
Only you

And how I've tried,
To deny or hide,
Put away my pride,
Only you

I'll repeat this phrase,
Through all my days,
With my last breath,
Only you

I'll repeat this phrase,
Through all my days,
With my last breath,
Only you

Only you (x8)

And it shows,
Because my heart beats so,
I will always know,
Only you

Beautiful,
So beautiful,
All is love is full,
Only you

I'll repeat this phrase,
Through all my days,
With my last breath,
Only you

I'll repeat this phrase,
Through all my days,
With my last breath,
Only you

Only you (x8)
