Beautiful, it can be
Take it in, all you see
All this love
All this love

As the night turns to day
As my heart gives away
All this love
All this love

Rising over my head, rush
Deep in my heart, rush
Into the world it goes
Gone it's out of my hands, rush
Back to my heart, rush
Back to the world it goes

This is how we can be
Full of light, clear to see
All this love
All this love

Lit it wash over you
Let it make all anew

All this love
All this love

All this love
All this, all this love
All this, all this love
All this love

Rising over my head, rush
Deep in my heart, rush
Into the world it goes
Gone it's out of my hands, rush
Back to my heart, rush
Back to the world it goes

Rising over my head, rush
Deep in my heart, rush

Into the world it goes
Gone it's out of my hands, rush
Back to my heart, rush
Back to the world it goes
