It's October again  
Leaves are coming down.  
One more year's come and gone  
and nothing's changed at all.  
Wasn't I supposed to be someone that could face the  
things that I've been running from?  
Let me feel...  
I don't care if I break down.  
Let me fall...  
Even if I hit the ground.  
And if I cry a little, die a little, at least I know I lived just  
a little.  
I've become much too good at being invincible.  
I'm an expert at play it safe and keep it cool.  
But I swear, this isn't who I'm meant to be.  
I refuse to let my life roll over me.  
Let me feel...  
I don't care if I break down.  
Let me fall...  
Even if I hit the ground.  
And if I cry a little, die a little, at least I know I lived just  
a little.  
I want to be somebody. I want to be somebody.  
I want to be somebody. I want to be somebody...  
who can face the things that I've been running from.  
Let me feel...  
I don't care if I break down.  
Let me fall...  
Even if I hit the ground.  
And if I cry a little, die a little, at least I know I lived.  
It's October again  
Leaves are coming down.  
One more year's come and gone  
and nothing's changed at all.
