Visit "[Breakthrough](#)" on MotoLyrics.com

Here I am
Open hearted
Bent and unshaped before You
I come hollow
And empty
You fill me with anointing

PRE Chorus:
Despite my shame masked face
You see me as a finished masterpiece

Chorus:
Breakthrough this heart as cold as stone
Breakthrough the strongholds I don't know
Breakthrough my fears hidden so deep
But you see...
Breakthrough freedom in me

Hear my cry
Go before me
With a mighty holy roar
I stand on broken knees
At the feet of Your mercy
The place where I am drawn to Your heart

(Pre-chorus)

(Chorus)

Bridge:
There is freedom in You Jesus
There is freedom in You
There is freedom in You Jesus
Freedom in me... (x2)

(Repeat Chorus x2)
