Verse 1:

Your love is truth, Your love is great
Your love is stronger than anything
Refreshes like water, falls down like rain
It is a river rushing over me

Pre Chorus:

Take me deeper now, into your purposes

Chorus:

All that I am, seeks all that You are
I'm longing to know the treasures of Your heart
All that I am, seeks all that You are
I'm longing to know the secrets of Your love.

Verse 2:

To touch Your garment, drink from Your hand
You destined me this before time began
No eye has seen, No ear has heard
No mind conceived for what You've prepared

Pre Chorus:

For Your, Your bride to be
Oh, she is waiting

(Chorus)

Bridge:

Show me the mystery of who you are
Hidden in wisdom and truth, reveal Yourself

(Chorus)
