Verse 1:

Where can I go from your spirit?  
Where can I hide from Your voice?  
Waking or sleeping, distant or close  
Your calling me to Your heart...

Verse 2:

Where can I flee from Your presence?  
Can I escape Your love?  
Soaring high, or laying low  
You will always be there...

Chorus:

Take me to, that secret place  
Pull me in, Your warm embrace  
Let everything be fading  
That could keep me from,  
That secret place.

Verse 3:

If I rise on the wings of dawn  
Or settle on the far side of the sea.  
Your hand will be holding, moving, and guiding  
Me toward eternity...

Bridge:

You hemmed my inmost being  
You know my thought from afar  
Crafted this body, this soul that is longing  
To be near you forever
