I'm looking back on everything that I have done  
And I can't help but feel overcome with sincere pride in  
my decisions.  
I'll disregard all of my mistakes and regrets;  
Forgive me if I do forget to note your contributions.  
Because without you I couldn't do half the things that I  
have done.  
It's just that lately I've been overwhelmed  
With this thing we've called growing up.  
So here's to you and everything you ever said,  
Every word inside my head, I owe it all to you.  
I know I never can fully repay you,  
But my hope is that this song will just have to do.  
I know this is the hardest part of my life.  
I swear I'll make it all up to you in time.
