Three rings to keep us happy.  
Look there and there and there.  
The clown stood there. The acrobat.  
The answer to my prayer.  
Three times the fun of only one.  
One more than the fun of two.  
See that monkey ride that horse.  
Let's see what he will do.  
Lookin, lookin, lookin, lookin.  
Lookin, lookin, look.  
There and there and there.  
Lookin, lookin, lookin, lookin.  
Lookin, lookin, look.  
The answer to my prayer.  
Three rings to keep us happy.  
And I like them all the best.  
The popcorn, the jugglers, the elephants.  
This really is the best.  
Lookin, lookin, lookin, lookin.  
Lookin, lookin, look.  
There and there and there.  
See that man so high above.  
Balance in the air.  
Three rings to keep us happy.  
And I like them all the best.  
Three times the fun of only one.  
Three rings beyond compare.
