Well, I gotta kind-hearted woman,
do anything in the world for me.
Boys I gotta kind-heared woman,
Girl will do anything in the world for me.
Yeah, but you know these evil-hearted women,
oh. they just will not let me be.

I was out in California,
you know there was a great big rumblin' in the ground.
I was out in California, people,
Oh, the earth was tremblin' all around.
You know those people thoght it was a big earthquake
out to get'em,
was nothin' but those evil-hearted women tryin' to run
me down.

Yes I gotta kind-hearted woman,
but she studies evil all the time.
Boys I gotta kind-hearted woman,
girl studies evil all the time.
You know she tried to get my best friend to kill me,
just so he would have it on his mind.

You know tha', it was just the one thing,
make me wanna drink.
I swear it's how you treat me,
I begin to think.
Oh babe, my life don't seem the same.
You know you break my heart,
when you call me by some other man's name.
