You got a beautiful name  
Don't ever let it get away  
'Cause times are changing fast  
But don't give up what changed the past  
It's a wonderful world  
But will it last beyond today  
'Cause times are changing quick  
We're all hurting, we're all sick  
We're all hurting, we're all sick

Looking for a hero  
Someone just to come and save the day  
Looking for a Savior  
Someone just to take our pain away  
Someone just to take our pain away

It's a beautiful sound  
To find myself just to let me down  
'Cause times are changing fast,  
But I don't know what will last  
You got a beautiful soul  
Don't ever jade yourself with hope  
'Cause times are changing soon  
And love can save us from this room  
Come and save us from this room!
