In a moment, love can pass you by  
And in a moment, a heart can come alive

Every moment's getting better  
Every moment brings me closer to you

Can I hold you till the morning light  
Takes away the dead of night  
And sunrise shines on you?  
Can love take all these fears away  
Till morning comes with brand new day?  
It's love that pulls us through  
In a moment.

In a moment love can tear you down  
And in a moment a heart can come around

I feel you in my heart  
I feel you in my soul  
Oh, you make me whole  
In a moment...
