

Half Past Forever "Need"

Visit "[Need](#)" on MotoLyrics.com

Don't you ever get so tired
Of feeling like there's no one, there's no one here
When you're so surrounded
You still feel like there's no one around you

Don't it ever feel so wrong
To live your life so totally lonely
You're so stuck in freedom
That friends just never know you need them
But you need them

Don't let go
Don't let go of love
Don't let go:
It's everything that you need

Don't you ever want this love that's been
Handed to you forever, forever
All you've ever wanted
Is in these arms that holds us together
Held together...
