Every time you save me
Every time you save me
Every time I fall you pick me up
And when I fail, you right me
And pick up the pieces that might be
The pieces of me I haven't given over yet

Your love digs deeper than the valleys
And I can't hide anymore, anymore

Love is rising up like a spring up from the ground
Redemption comes and turns this heart
Turns this heart around
Love is rising up and I can't make a sound
Redemption comes and turns this heart
Turns this heart around

The sun's on the right horizon
Still I can feel it rising
It's rising just like the love I know is welling up
So, pick up the broken pieces
And I'll give up the broken pieces
The pieces of me I haven't given over yet

Redemption falls like rain into the thirsty ground
The thirsty ground that is my soul
Out of nothing rises up,
Except the hands that bore my pain
Redemption comes to fill my broken heart
