

Half Past Forever "Tunnel Vision"

Every time I slip away,
I dream a little dream of you
You got me thinking 'bout your love
When I got too much else to do
Is this way it's gonna be?
Is this how I'll just get through?
Is this how I'll get through?

Oh, you know
I've got the tunnel vision
I've got my eyes only for you
I've got the tunnel vision
I've got my heart set up for you

It's been weighing on my mind
How you love me all the time
I've been around a time or two
Wasting time till I met you
Is this the way it's gonna be
Is this how I'll just get through?
Is this how I'll get through?
