

## Half Past Forever "Waiting"

It just seems like you're taking your time  
I'm just waiting for the sun to shine  
I don't wanna go another day  
Without you here, without you here to stay

It seems like forever and I'm still waiting for you  
I'm still waiting for you  
It seems like forever and I'm still waiting for you  
I'm still waiting for you  
Yeah, I'm waiting

All I want is to see you smile  
If a blink lasts forever, this might take a while  
I don't wanna go another day  
Without you here, I want you here to stay

It's never gonna be enough to dream of you  
It's never gonna be enough to dream of you  
I wanna see you...I wanna see you
