Well, it's almost 10 am you're still talking  
About your sex life  
Put on your shoes and pants and start walking  
I'll see you on your way out  
I'll see you on your way out  
I'll see you on your way  
Hey You  
I got a reason  
To Feel  
The way I'm feeling  
And I'm Not  
I'm not naÃve and  
I Fought You  
And now I'm leaving  
It's almost 10 pm and I'm thinking  
About my sex life  
Put on my horns and tail and start drinking  
I'll see you on my way down  
I'll see you on my way down

I'll see you on y way  
Hey You  
I got a reason  
To Feel  
The way I'm feeling  
And I'm Not  
I'm not naÃve and  
I Fought You  
And now I'm leaving  
I'm sorry, I'm sorry, I'm sorry  
I did not notice you there  
I'm sorry, I'm sorry, you must have  
Mistook me for someone who cares
