I ain't got no time for forgiven  
I ain't got no time be afraid  
I ain't got no time to be slowing me down  
With one foot in the grave

I ain't got no time for my loving  
I ain't got no time to be said  
I got no time for the foolish man  
When the world treats him so bad

Oh no, here I go  
Other sides calling me getting me low  
Oh, I always know I'm living till the day I die  
Oh no, here I go  
The other sides calling me getting me low  
Oh, I always know I'm living till the day I die, yeah!

They say there's light in the tunnel  
They say there's a name in the book  
But I don't care for the rumor mill  
That hangs you on a hook

Soon I'll be meeting my Maker  
Then I'll deceased and desist  
I'll leave my name in the air somewhere  
Where I can get some peace  
Where I can get some peace

Oh no, here I go  
The other side's calling me getting me low  
Oh, I always know I'm living till the day I die

Oh no, here I go  
The other sides calling me getting me low  
Oh no, I always know I'm living till the day I die  
Living till the day I die

I don't know if I'm ever coming back  
The light in the tunnel might turn to black  
Take my chances I won't ask why  
I'm living till the day I die

Living till the day I die  
Living till the day I die

I ain't got time for forgiving  
I ain't got time be afraid  
I ain't got time for living my life  
With one foot in the grave  
One foot in the grave
