He had enough  
He couldn't take anymore  
He'd found a place  
In his mind and slammed the door  
No matter how they tried  
They couldn't understand  
They washed and dressed him  
Fed him by hand

Yeah! I've left the world behind  
I'm safe here in my mind  
Free to speak with my own kind  
This is my life, this is my life  
I'll decide not you

Withdrawn he'd sit there  
Stare blank into space  
No sign of life  
Would flicker on his face  
Until one day he smiled  
It seemed as though with pride  
The wind kissed him goodbye  
And then he died

Yeah! I've left the world behind  
I'm safe here in my mind  
Free to speak with my own kind  
This is my life, this is my life  
I'll decide not you

Keep the world with all its sin  
It's not fit for livin' in  
Yeah! I will start again  
It can take forever and ever, and ever  
And ever, but I'll still win

How many like him  
Are there still?  
Could you pass it all?  
Seem to have lost the will  
They lie in thousands  
Vagued and lost

Is nothing worth  
This bitter cost

Yeah! I've left the world behind  
I'm safe here in my mind  
Free to speak with my own kind  
This is my life, this is my life  
I'll decide not you

Keep the world with all its sin  
It's not fit for livin' in
