There I was completely wasting out of work and down
All inside it's so frustrating as I drift from town to town
Feel as though nobody cares, if I live or die
So I might as well begin to put some action in my life

Breaking the law, breaking the law
Breaking the law, breaking the law
Breaking the law, breaking the law
Breaking the law, breaking the law

So much for that golden future I can't even start
I've had every promise broken, there's anger in my
heart
You don't know what it's like you don't have a clue
If you did you'd find yourselves doing the same things
too

Breaking the law, breaking the law
Breaking the law, breaking the law
Breaking the law, breaking the law
Breaking the law, breaking the law

You don't know what's it like

Breaking the law, breaking the law
Breaking the law, breaking the law
Breaking the law, breaking the law
Breaking the law, breaking the law

Breaking the law, breaking the law
Breaking the law, breaking the law
Breaking the law, breaking the law
Breaking the law, breaking the law
