

Halford "Drive"

Visit "[Drive](#)" on MotoLyrics.com

I've got you under my wheels now, baby
That's where you belong
I've got you under my wheels now, baby
I'll drive you all night long

I've got you under my wheels now, baby
There's nothin' you can do
I got you under my wheels now, baby
My heart is comin' through

You'll never go too far or go too fast
Let's rev it up and feel the engine blast

Drive, drive, drive with me
Our love will set us free

I got you under my wheels now, baby
I'm movin' way too fast
I've got you under my wheels now, baby
We've got to make it last

You'll love it when you feel my engine roar
You'll love it when you feel the power soar

Drive, drive, drive with me
Our love will set us free
Drive, drive, drive with me
(Keep drivin' all night long)
The road will set us free
(Keep drivin' all night long)

Let's crank it up and drive this heavy load
(Load)
It's time to rock come on let's hit the road
(Road)

Drive, drive, drive with me
Our love will set us free
Drive, drive, drive with me
The road will set us free
(Keep drivin' all night long)

Drive, drive, drive with me
(Keep drivin' all night long)
Our love will set us free
(Keep drivin' all night long)
Drive, drive, drive with me
(Keep drivin' all night long)
The road will set us free
(Keep drivin' all night long)

Drive, drive, drive with me
(Keep drivin' all night long)
Our love will set us free
(Keep drivin' all night long)
Drive, drive, drive with me
(Keep drivin' all night long)
The road will set us free
(Keep drivin' all night long)

Drive, drive, drive with me
(Keep drivin' all night long)
Our love will set us free
(Keep drivin' all night long)
