[Tipton/KK/Halford]

Mercenary battalions  
Are poised to strike us down  
Terminations conquest  
Upon us now full grown

Save me my hearts open wide  
Help me no question of pride  
Save me my people have died  
Total genocide

Devastation hungers she waits to leap to earth  
Imminent liquidation  
Before the grand rebirth

Sin after sin I have endured  
But the wounds I bare  
Are the wounds of love

Frantic mindless zombies  
Grab at fleeing time  
Lost in cold perplexion  
Waiting for the sign  
Generations tremble  
Clinging face to face  
Helpless situation  
To end the perfect race

Slashing senseless sabres  
Cut us to the ground  
Eager for the life blood  
Of all who can be found

Slice to the left slice to the right  
None to retaliate none will fight  
Chopping at the hearts snuffing out the lives  
This race departs and no one will survive

Heads to the feet - feet to the air  
Souls in the soil heavy in despair

End of all ends bodies into dust  
To greet deaths friend extinction is a must

On the rocks
