Who can say they've never made mistakes
Only fools will suffer what they make
Owning up rids poison when you can
Admitting you were wrong makes you a man

It's everywhere
But do you care?

Sad wings of destiny
Where have they gone?
I know eternally
I'll carry on

Did you think that I would disappear?
Were you so dried up from all your fear?
Thought you'd make me feel impossible
You were wrong now who looks like a fool?

It's up to you
What did you do?

Sad wings of destiny
It used to burn
I know that faithfully
I'll see you turn

It's everywhere
But do you care?

Sad wings of destiny
Where have they gone?
I know eternally
I'll carry on

Sad wings of destiny
It used to burn
I know that faithfully
I'll see you turn

Sad wings of destiny
Sad wings of destiny
