Look at me, I'm chasing  
After dreams left in the storms  
What I am is all  
That really matters now

That lies are gone  
The lies are gone  
And the lies are gone  
The lies are gone

Tempting fate and losing  
Friends along the way I loved  
No regrets, I'm standing

With a needle in my heart  
Needle in my heart  
Needle in my heart  
Needle in my heart

You'll never know  
My life means everything  
Still I scream because  
There's nothing left to do until the end

The world goes on  
With all that I've become  
And still I scream inside  
For all the pain I've taken hasn't changed

Nothing's changed at all  
The truth is like a chain  
Heaven's calling me  
The place that I belong  
Killing pain, killing pain

Close my eyes a million faces  
Get inside my mind  
Take a breath and fill my troubled  
Soul with all mankind

Killing pain

Killing pain  
I'm killing pain  
Killing pain

You'll never know  
My life means everything  
Still I scream because  
There's nothing left to do until the end

The world goes on  
With all that I've become  
And still I scream inside  
For all the pain I've taken hasn't changed

The man in black  
I'm coming back to spew my evil hate  
My crown horns and bloody thorns  
I'll dig up what you fear

I am the shape that's in your room that  
Watches over you  
I am the needle in your heart  
You disillusioned God

I am God, I am fate, I am all the sins you  
Make, yeah, hate  
I am black, I am white, I'm the blood upon  
The knife, yeah, hate

Since time began I made a vow  
To drag you underground  
To steel your soul of purity  
And watch you waste away

I am pure, I am right, I am the God that  
Makes you fight, yeah, hate  
I am life, I am death, I will steal your final  
Breath, yeah, hate

I prey upon your broken dreams you  
Weakness gives me strength  
I'm laughing at your silent screams I'll  
Crush you with my hate

You take it all  
And face the fear that's here  
Until the silent screams  
It leaves you with no choice to carry on

You'll never fall  
When all is said and done

The only scream is here  
The journey never ends, it's just begun

The lies that never learned  
The needles in my heart  
And things will never change  
So every time I scream I'm killing pain
