Look at me I'm chasing after dreams left in the storm
What I am is all that really matters now
That lies are gone, the lies are gone
All the lies are gone, the lies are gone

Tempting fate and losing friends along the way I loved
No regrets I'm standing with a needle in my heart
Needle in my heart, needle in my heart
Needle in my heart

You'll never know my life means everything
Still I scream because there's nothing left to do until
the end
The world goes on with all that I've become
And still I scream inside for all the pain I've taken
hasn't changed

Nothing's changed at all, the truth is like a chain
Heaven's calling me the place that I belong
Killing pain, killing pain

Close my eyes a million faces get inside my mind
Take a breath and fill my troubled soul with all mankind
Killing pain, killing pain
I'm killing pain, killing pain

You'll never know my life means everything
Still I scream because there's nothing left to do until
the end
The world goes on with all that I've become
And still I scream inside for all the pain I've taken
hasn't changed

The man in black I'm coming back to spew my evil hate
My crown of horns and bloody thorns, I'll dig up what
you fear
I'm the shape that's in your room that watches over you
I am the needle in your heart, your disillusioned God

I am God, I am fate
I am all the things you make, yeah, hate
I am black, I am white

I'm the blood upon the knife, yeah, hate

Since time began I made a vow
To drag you underground
To steal your soul of purity
And watch you waste away

I am pure, I am right
I'm the God that makes you fight, yeah, hate
I am life, I am death
I will steal your final breath, yeah, hate

I prey upon your broken dreams
Your weakness gives me strength
I'm laughing at your silent screams
I'll crush you with my hate, yeah

You take it all and face the fear that's here
Until the silent screams leaves you with no choice to
carry on
You'll never fall, when all is said and done
The only scream is here, the journey never ends it's
just begun

The lies that never learn
The needle's in my heart
And things will never change
So every time I scream I'm killing pain
