[Bonus Track]

I realize I missed the day

But I'm too wrecked to care anyway

I look around and see the face

What the hell have I lost my taste

Don't want to find out

Just want to cut out

My head explodes, my ears ring

I can't remember just where I've been

The last thing that I recall

I got lost in a deep black hole

Don't want to find out

Just want to cut out

Blackout

I really had a blackout

Blackout

I really had a blackout

Blackout

I really had a blackout

Blackout

I really had a blackout

I grab my things and make a run

On my way out, another one

Would like to know before I stop

Did I make it or did I flop

Don't want to find out

Just want to get out

Blackout

I really had a blackout

Blackout

I really had a blackout

Blackout

I really had a blackout

Blackout

I really had a blackout

Don't want to find out

Just want to get out

Blackout

I really had a blackout
