If I could take half the fire from my lips  
Put it in your heart, and rub it on the tip of your tongue  
We'd be almost even

If I could rev you up and leave you in neutral  
Feeling out the gears and never locking fully in Drive  
We'd be almost even

Hey, we'd beÂ...  
Almost even  
If you could swim halfway I would throw you a short line  
Almost even  
Well, I'm not the cruel kind,  
But baby I'd make an exception this time

If I could pick you up when you're shiny and new  
Show you off, pack you up, and shelve you with my  
other old toys  
We'd be almost even

Hey, we'd beÂ...  
Almost even  
If I could push you off a cliff and say "I'll catch you the  
next time"

Almost even  
Well, I'm not the cruel kind,  
But baby I'd make an exception this time

Aii, Aii, Aii, Aii

Almost even  
If you could swim halfway I'd throw you a short line  
Almost even  
Well, I'm not the cruel kind,  
But baby I'd make an exception, I'mÂ...  
Almost even  
If I could push you off a cliff and say "I'd catch you if I  
had the time"  
Almost even  
Well, I'm not the cruel kind,  
But baby I'd make an exception

I'm not the cruel kind,  
But baby I'd make an exception  
I'm not the cruel kind,  
But baby I'd make an exception this time

Aii, Aii, Aii, Aii
