Stick it through  
Suck it in  
Chew it up  
Spit it out

That's a good girl  
Don't you give up now  
You won't be okay  
'Til you're inside out  
And

Empty  
Empty  
Empty  
Isn't that what you wanted?

Shove away  
Lock it out  
Eat the air  
Fill your mouth

Who really needs a soul  
When heaven's right now  
In these skinny jeans

Making your god so proud  
You're

Empty  
Empty  
Empty  
Isn't that what you wanted?

Little seed—now an ugly tree  
Watered by—the self-hate you feed upon  
Darkened eyes—silent cry  
Slowly die—in your mind  
In your mind  
In your mind  
As you empty—

Empty

Empty  
Empty  
Isn't thatÂ... Oh, isn't that what you wanted?
