SISTERS

Â© 2005

Jammin' Salmon Music

I'll pick you up and carry you away
Out of the dark
I'll chase away the demons, keep you safe
'Til you find your spark again
You and me, expected to be the Healers, the Givers,
The Mothers
Who else can we run to if it isn't
To one another?
There's a tie that binds me and you
That no circumstances could undo

And IÂ—I call you "Sister"
YouÂ—are never all alone
WeÂ—we are all Sisters
And we never have to make it on our own

We were there together lost in the waves

With so much to lose
Trapped inside the clutches of a thousand fates
That were never ours to choose
But side-by-side we lasted the storm
And found ourselves standing on the shore

And IÂ—I call you "Sister"
YouÂ—are never all alone
WeÂ—we are all Sisters
And we never have to make it on our own

No force can take
No force can break our faith

In our Sisters
I amÂ—you areÂ—never all alone
And IÂ—I call you "Sister"
YouÂ—are never all alone
And IÂ—I am

And You—you are
And We—we are all...
Sisters.
