Love is strong won't let you go  
And hunts you down and it wants you so  
Lost in love a fool can't see  
Broken hearts are meant to be

Tears its way into your heart  
Leaves and you fall apart  
Pain is all it has to give  
And all I want is to hold you

You can't run from love  
Love is strong  
You can't run from love  
Love is strong

Run from love  
Run from love

Tears of pain and tears of joy  
Emptiness and a boy destroyed  
A heart lies lost and slightly soiled  
But still I cried to tell you

You can't run from love  
Love is strong  
You can't run from love  
Love is strong

Run from love  
Run from love

You can't run from love  
You can't run from love

Run from love  
(You can't run from love)  
Run from love  
(You can't run from love)

Run from love  
(You can't run from love)  
Run from love

(You can't run from love)

Run from love

(You can't run from love)
