Here I am singing my hopes
And dreams of yesterday
Today you'll hear
My childhood dream come true
This could be you
Just 2 years ago I was listening
To All My Fault and San Dimas Football Rules
As time went on and on
Now 2 years later
I am writing a song
Cause I never thought
That I would make it this far
But I dreamed and
That dream came true
And I dreamed
That dream came true
So Here I Am singing my hopes
And dreams of yesterday
Today you'll hear
Here I am
My childhood dream come true
This could be you
Seems likes yesterday i was hanging out
And strumming my guitar
While singing these words
Without a chance in the world
As i grab the mic and look
And then stare into the crowd
And my energy builds inside
But I dreamed and
That dream came true
And I dreamed
That dream came true
So here I am singing
My hopes and dreams of yesterday
Today you'll hear
Here I am
My childhood dream come true
This could be you
And I dream that
That dream came true
And I dream that

That dream came true
So here I Am singing
My hopes and dreams of yesterday
Today you'll hear
Here I am
My childhood dream come true
This could be you
Here I am singing
My hopes and dreams of yesterday
Today you'll hear
Here I am
My childhood dream come true
This could be you
This could be you
