He's back together again
Yeah, everyone is glad that he's together again
Just like the old days, old days, old days
Yeah, he could sing, he could sing, he could sing
He's back together again

You know he's still got the moves
You know the groove's still there
Just like the old days old days, old days
Yeah, he could sing, he could sing
Listen to him sing

Back together again, back together again
Singing the same old story
Back together again, back together again
The old songs never end
Gives you something to believe in

Remember sixty-five
Well, the kids are all grown up
But their records are still alive
Just like the old days, old days, old days
Yeah, he could sing, he could sing, he could sing
He's back riding high

The charts are full of love, he's on everybody's dial
Just like the old days, old days, old days
Yeah, he could sing, he could sing
Listen to him sing

Back together again, back together again
Singing the same old story
Back together again, back together again
The old songs never end
That's you something to believe in

The old songs never end
Oh, just listen to him sing

Back together again, back together again
Singing the same old story
Back together again, back together again

The old songs never end
And that's you something to believe in
