Standing in the rain

Cab comes into view

Ask me where am I goin' to

Running for so long

Been gone too many nights

And my heart has paid the price

This ain't heaven

This ain't the life bargained for

My reason for living

Isn't here inside this car

Girl I gotta get back to you

Chorus:

Cab driver

Take me home

Spent too much time away

Too much time alone

Cab driver

Take me home

Spent too much time away from my baby

I need familiar streets

To show that you're near

Feeling like a stranger here

Oh does the mirror show the miles on my face

Am I goin' any place?

This ain't heaven

This ain't the life I was hopin' for

My reason for living

Sure ain't here inside this car

You know I've gotta get back to you

Chorus:

Cab driver

Take me home

Spent too much time away

Too much time alone

Cab driver

Take me home

Spent too much time away from my baby

I need to see the look on your face

A kiss from your lips ... oh the taste baby

Nothing waiting for me but a lonely room

I've gotta get back to you baby - soon

Chorus:

Cab driver take me home

Spent too much time away

Too much time alone

Cab driver

Take me home

Spent too much time away from my baby
