Christine, come to me, let your fire touch me  
Christine, won't you please be good to me, tonight  
Who knows what should be, come tomorrow morning  
I just want to hold you close tonight  
Christine, Christine, I'll be good to you

Christine, Christine, tonight you can't be free  
Until the morning comes you belong to me

Christine, come to me, let your fire touch me  
Then with morning sunrise go free, Christine  
Christine, Christine, a girl who must be free  
Christine, Christine, I'll be good to you
