Do What You Want, Be What You Are  
Do what you want girl, but be what you are  
There ain't no right er wrong way  
Just a play from the heart  
Lt ain't a sign of weakness to give yourself away  
Because the strong give up and move on  
While the weak, weak give up and stay

So do what you want to do  
But be what you are  
Do you believe in hot cars  
Leather bars, or movie stars  
Is that what's real  
Payin' dues, Earth Shoes, Chicago blues  
Is that how you feel?  
You can change, but you can't conceal  
What's deep inside you  
Lt's your game, It's your deal

So do what you want to do  
But be what you are  
Do you believe in hot cars  
Leather bars, or movie stars  
Is that what's real  
Payin' dues, Earth Shoes, Chicago blues  
Is that how you feel?  
You can change, but you can't conceal  
What's deep inside you  
Lt's your game, It's your deal
