Well the kids see it on TV  
Cast a cold eye  
Use a sitcom it's all the same  
Light a short fuse  
Summer's coming  
We pretenders ride  
As a maverick comes as Jesse James

In the land of the free and brave  
Can a gun make you more afraid  
Then I overheard in the everyday turn

(Chorus)  
Danger around home on the street  
Never around who might it be  
Waiting in there home all alone  
Safe inside stay at night  
Never around who might it be  
Waiting in there who shall we meet  
Danger around home on the street tonight  
Never go out

Time to watch over now  
Why you squeezing my hand so tight  
What's that look you are trying to their hand  
Then I overheard in the everyday turn

Repeat Chorus

As a maverick comes as Jesse James

Repeat Chorus
