I saw you standing and I felt your rage
Like a dark cloud on a crowded stage
You were talking thru the smoke in your fantasy
I know you girl I know what to believe
Maybe things aint been so good at home
And the people that you love never cared at all
You wanna run away dont care where you go
You wanna run away thats all you know
Believe its alright to fantasize
And say the words you think will satisfy me
But you know better than that
cause you know whats a lie
Youre living in dreamtime baby
Its time to wake up
Youre living in dreamtime baby
Its time to shape up
In your dream its overcast
Rain comes down movin your way fast
You wanna run away dont care where you go
You wanna run away thats all you know
Turn a corner then you see a door

Walk on thru throw yourself on the floor
When youre looking up its no surprise
Standing there is a man with movie star eyes
Think hes gonna take care of you
The man with the plan thatll see you thru
I say there aint no way
cause I know hes a lie
Youre living in dreamtime baby
Its time to wake up
Youre living in dreamtime baby
Its time to shape up
I never saw anybody fall apart so fast
Living in dreamtime you know it aint gonna last
Never saw anybody think shes so right and be so
wrong
Living in dreamtime
Its hard to carry on
