(Chorus)

Every day will be like a holiday
With my baby
When my baby comes home

She's been alone such a long time
Christmas is coming
I've got her on my mind
I bought a present today
Some sweet perfume
I'll wait for my baby
You know she'll be home soon

Repeat Chorus

I'm never worried
I never sit by the phone
Cause come Christmas time
I'll never be alone
See everybody
On this holiday
I know this feeling somewhere
Never gonna go away

Repeat Chorus
