You say you can't stand to be
tied so close to a lover
Ooh you feel like a prisoner
and you wanna find someone
who will let you out
Can't you see the heartbeat
that you know so well
is better than some strange
one you're looking for
Say you never know that strange
one just might be me

(chorus)
Can't you see you have
everything your heart desires?
So why do you want more?
If you had (if you had)
everything your heart desired
Would you still want more?
You have (you have)
everything your heart desires
Why do you want more?
If you have (if you have)
everything your heart desires

Oh baby will you still want more?

You tell me your best friend's
world seems beautiful
but don't be fooled
It's nice work if you can get it
What goes on behind
closed doors you don't know

Maybe she cries herself
to sleep every nite
Sorry that the heartbeat
that she knows so well
ain't what she's looking for
Say you never know that strange
heart just might be me

(chorus)

Maybe you'll confess
Girl you'll see
If you want the world
Think of me
No words can help
Don't be sad
'cause baby what you want
is what you have

(chorus)
