We always try to be so honest but we're so serious
We have an understanding but that can't carry soul far
enough
The green flag is rising and, baby, green means go
New world on the horizon and who deserves the love
More than you, more than me, both of us, so can't you
see?

Baby, everywhere I look, I see people wakin' up
So why are we still sleepin'?
Everywhere I look, I see people shakin' off all the old
ways
So why can't we follow through?

What we believe has got to be more than the words of
our friends
Baby, I love the life but I'd fight for the world not to end
Would you do that for me?
The green flag is rising and, baby, green means go
Something on the horizon and who deserves to know
More than you, more than me, both of us, so can't you
see?

Baby, everywhere I look, I see people wakin' up
So why are we still sleepin'?
Everywhere I look, I see people shakin' off all the old
ways
So why can't we follow through, follow through, follow
through, yeah?

(Everywhere I look)
I see people wakin' up
(Everywhere I look)
Lookin' for love, oh
(Everywhere I look)

(Everywhere I look)
There's a new world waitin' for you and for me
(Everywhere I look)
Come on, oh, yeah
(Everywhere I look)
Yeah, yeah

(Everywhere I look)
[Incomprehensible]
(Everywhere I look)
Gotta reach for the mountain, green flag coming up
(Everywhere I look)
Baby, green means go

(Everywhere I look)
You deserve to know
(Everywhere I look)
Yeah

Everywhere I look
Everywhere I look
Everywhere I look
