Just why do I want you baby  
Anyone but a fool would let it be  
Go on anywhere you take me  
I don't want to know what's pulling me  
If I fall so deep  
With my eyes so wide  
Then I hope that feeling isn't only mine  
Fools rush in  
Where the wise don't go  
Fools rush in  
And I'm a fool for love  
Fools rush in  
But the wise don't know  
Fools rush in  
Safe advice  
I can't let it stop me  
Love don't wanna know the reason why  
If we fall so deep  
With our eyes so wide  
Then I know the feeling isn't  
Only mine

Fools rush in

Where the wise don't go

Fools rush in

And I'm a fool for love

Fools rush in

But the wise don't know

Fools rush in
